For visitors whom would like to enjoy night life in Penang, I would recommend them to stay in City Bayview hotel (4 star hotel that i would say, three are was given cause they charge too low that spoils the four star market i.e. RM 150 less for early booking). Night enjoyment around City Bayview:

- . Hawker food in Red Garden Food Paradise - recommended hawker food: Green house Law mee hawker stall.
- . British pub SOHO - Beer there are very reasonable in pricing
- . Slipper Sanorita or SS - extreamly popular disco in Penang
- . Malay ox-tail-soup (called soup ekor) - restaurant name SOUP Hameed, right beside SOHO. Tun Mahadir was there before :)
- . Popular coffee house - Segafreado around the corner with free internet access.
- . The garage heritage building.
- . Popular Penang road and Chulia street around. here you can enjoy street market where you can enjoy bargain shopping.
- . here we are in Upper penang road, popular night life area!!
